

REMARKS

In the Office Action mailed June 1, 2005, certain claims were rejection, others allowed and still others objected to for depending on a rejected base claim. Applicant here cancels the prior claims and adds new claims 51-57 similar in form to claims which the Examiner indicated would be allowable, specifically, 5, 11, 21 and 26-29. For these reasons, Applicant petitions for allowance of pending claims 51-57.

The amendments set forth herein are provided solely to clarify the invention as filed and set forth in the pending claims in order to comply with applicable statutes and regulations. The amendments are not intended to limit the invention or preclude the application of equivalents which Applicant may be entitled to under law.

If any matters can be resolved by telephone, Applicant requests that the Patent and Trademark Office call the Applicant at the telephone number listed below.
